

## MEDIA RELEASE

16<sup>th</sup> June, 2026

---

### **Fair Trading Commission to Host Stakeholder Sensitization Session with the Business Community**

The Fair Trading Commission (“the Commission”) will be hosting a Stakeholder Sensitization session with the Business Community on Monday 22<sup>nd</sup> June 2026 under the theme: “*Embracing Competition: Building Stronger and More Resilient Markets*”.

This initiative forms part of the Commission’s ongoing efforts to actively engage stakeholders, strengthen awareness of competition law and policy, and promote a fair, transparent, and competitive business environment in Trinidad and Tobago.

The objectives of the meeting are to provide stakeholders with an overview of the Commission’s mandate, functions and current initiatives. Additionally, the meeting will highlight the key provisions of the Fair-Trading Act and their implications for business operations, while reinforcing the importance of compliance in fostering consumer confidence, supporting investment, and promoting sustainable economic growth.

Moreover, the meeting is also designed to facilitate constructive dialogue with the business community, allowing stakeholders to share perspectives on competition policy and enforcement, identify challenges and opportunities within the marketplace, and contribute to shaping the Commission’s future work programme and policy priorities.

Presentations are expected to be delivered by representatives from the Commission, as well as key stakeholders, including the Trinidad and Tobago Chamber of Industry and Commerce (TTCIC) and the Trinidad and Tobago Manufacturers’ Association (TTMA).
